Winter 2007

## Going nautical

*Infuse your wedding decor with a clean, classic look inspired by the sea.*

## Ship on a bottle

“The boating scenes on bottles of Dry Creek Vineyard’s Endeavour wines, like this Cabernet Sauvignon, \$55, make them perfect for a nautical wedding.

Their current wine list starts at \$10, and bottles can be used in your welcome baskets or as favors.

Or serve the wines at your reception, set on tables in a ship’s-railing coaster.”
