THE TOP 52 WINES OF 2005

2003 HERITAGE ZINFANDEL Sonoma County

“Intense with deep blackberry and ruby hues, this big boy wasn’t the least bit shy with its nearly forceful scents of licorice, dark fruit, soy and eucalyptus. More than one panelist wanted to “jump in the glass” to better experience this wine’s flavors of blackberry fruit, earth peppery spicy notes that were followed by layers of rich plum and cherry-soaked tannins. No surprise with this powerful wine as the panel noted its long, intriguing finish.”
